Investment made in textile industry in Sikkim

772. SHRI O.T. LEPCHA: Will the Minister of TEXTILES be pleased to state:

(a) the details of the investment made in the textile industry during the last three years in different States of the country particularly in the State of Sikkim;

(b) whether it is a fact that the growth of industry is focused to some developed States and not in the North Eastern Region; and

(c) if so, the reasons therefor and Government's reaction thereto?

THE MINISTER OF STATE IN THE MINISTRY OF TEXTILES (SHRI E.V.K.S. ELANGOVAN): (a) The year-wise plan expenditure under various schemes being implemented by the Ministry of Textiles during the last three years is as follows:

(Rs. in crore)

Year	Plan Outlay	Plan expenditure
2004-05	878.00	729.87
2005-06	1150.00	1101.37
2006-07	1349.50	1407.62 (Provisional)

The state-wise details of plan expenditure under major schemes such as Scheme for Integrated Textile Parks (SITP), Handlooms and Sericulture are given at the Statement I, II and III respectively (*See* below). State-wise plan expenditure figures are not maintained in respect of the Technology Upgradation Fund Scheme (TUFS).

(b) and (c) While the mill and powerloom sectors and the apparel industry are concentrated in States outside the North Eastern Region due to historical and other reasons, the North Eastern States have high potential for the development of handlooms, handicrafts, silk and jute based products. The Ministry of Textiles have earmarked 10% of its total outlay for various textiles and handicrafts sector schemes in the North East.
